

CHRISTIAN ESTAY OJEDA

Marine Specialist • Port Captain • Loading Master • Operations & Business Manager

Master Mariner (Unlimited) | MBA | MPhil Applied Business Leadership | Magister in Logistics & Operations | Honorary Doctorate in Business & Administration

Chile: +56 9 9739 6901 | Saudi Arabia: +966 56 996 7106 | estay.christian@gmail.com

PROFESSIONAL SUMMARY

Accomplished maritime operations leader with 30 years of international experience directing marine logistics, offshore fleets, and complex rig-move projects across the Americas, the Middle East, Europe, and Asia-Pacific. Proven record of improving operational efficiency, advancing HSE performance, and ensuring full compliance with Saudi Aramco, DNV, ABL, AG UK and IMO standards. Inspiring leader who drives team productivity through strategic problem-solving, proactive communication, and continuous mentorship. Brings a synergistic global mindset reinforced by executive education at Columbia, MIT, University of Michigan, UCAM, Exeed College and Liverpool J.M. university.

- | | | |
|--------------------------------|--------------------------------|---------------------------------|
| • Marine Operations Management | • Fleet & Logistics Management | • Rig Move Operations (AHTS/DP) |
| • Aramco Compliance & Audits | • HSE — ISM / ISPS / MLC | • Loading Master (LNG & Oil) |
| • Strategic Planning | • Process & HSE Improvement | • LNG Loading/Mooring Master |
| • Tenders / RFPs | • Team Building & Mentorship | • Budget & Cost Control |

PROFESSIONAL EXPERIENCE

Alis Global UK | Saudi Arabia *Sep 2025 – Present*
Marine Specialist — Saudi Aramco

- Assigned to chartered vessels and project spreads to act as liaison between the Project Vessel/Spread and the Aramco Rig Move Operations Support Unit.
- Ensure rig-move operations are executed safely, on schedule, and in full compliance with Aramco marine procedures.
- Provide marine coordination and HSE oversight across operators, contractors, and vessel crews.

Alis Global UK | Saudi Arabia *Apr 2025 – Sep 2025*
Senior Port Captain — Al-Gihaz

- Served as marine representative for Al-Gihaz on projects executed under Saudi Aramco.
- Ensured full fleet compliance with Aramco procedures, marine regulations, and HSE requirements.
- Coordinated vessel readiness, inspections, and audits across multiple project fleets.

Mejillones LNG Terminal | Chile *Mar 2025*
LNG Mooring & Loading Master

- Supervised mooring and cargo transfer operations in line with SIGTTO and terminal procedures.
- Coordinated with vessel officers and terminal staff to ensure the safe handling of LNG cargo.

ABL Group (COOEC — Offshore Oil Engineering Co., Ltd.) | Saudi Arabia *May 2024 – Feb 2025*
Senior Port Captain

- Represented COOEC as marine lead on the Aramco 13th Jackets Installation project.
- Oversaw all project vessels, ensuring compliance with Aramco procedures, rules, and HSE requirements.
- Coordinated inspections, audits, and vessel performance monitoring across the fleet.

Port Captain

- Managed a fleet of up to 75 NPCC vessels — including self-propelled jack-ups — operating in Saudi Arabian waters, ensuring operational safety and profitability.
- Served as company representative with Saudi Aramco, coordinating on-hire, intermediate, and quarterly inspections.
- Ensured fleet-wide compliance with Aramco procedures, ISM/ISPS standards, and flag-state requirements.
- Led audits, inspections, and corrective-action plans to maintain uninterrupted operational approval.

Zamil Offshore | Saudi Arabia

2017 – 2019

Line Manager / Port Captain

- Directed logistics and marine operations across the AHTS, ASD, and DP fleet, including approved rig-move assignments.
- Built and managed client relationships to improve service delivery and retention.
- Drove continuous improvement in HSE standards and operational efficiency.

Petro Services

2014 – 2016

Marine Superintendent — HSE, Logistics & CSM

- Directed logistics, marine operations, and HSE programs for a busy maritime services business.
- Led business development, tender/RFP processes, and brand positioning strategies.
- Managed vendor relationships, contract negotiations, and crewing operations.
- Hired, onboarded, and managed marine crews to deliver safe and productive support.

International Tidewater Marine | Saudi Arabia

2011 – 2013

Port Captain / Marine Supervisor (2011 – 2013) • Base Manager / Supervisor (2011)

- Directed vessel management to ensure safe, reliable, and efficient operations.
- Managed crews and vendors handling rig moves and anchor-handling (AH) operations.
- Planned and coordinated vessel repair and maintenance programs.
- Controlled operating costs while maintaining high vessel performance.
- Conducted on-hire, flag, and OVID inspections and facilitated ISM & ISPS internal audits for onboard vessels.
- Delivered client reporting to meet contractual and regulatory requirements.

EARLIER MARITIME EXPERIENCE

- **LPG experience as 3rd, 2nd and chief officer (1999-2004).**
- **AHTS / ASD / DP / Rig Move Approved Port Captain & Line Manager** — Zamil Offshore, Saudi Arabia
- **Owner Representative** — Mermaid Singapore — Batam, Indonesia
- **Captain / SDPO (Cable-Layer Vessel)** — Mermaid Australia Marine — Singapore Branch
- **Second Captain** — Hornbeck — Trinidad & Tobago
- **Chief Officer** — Tidewater International
- **Second Officer / Chief Officer** — Olympos S.A. & Ultragas — Valparaíso, Chile
- **Third Officer** — Southern Ship Management (CSAV) — Valparaíso, Chile
